PROFESSIONAL SUMMARY

Flutter Developer with internship experience building clean, responsive mobile app interfaces using Flutter and Dart. Skilled in creating reusable widgets, structuring screens, and implementing smooth navigation flows. Familiar with Firebase and Cloud Firestore for backend integration and data storage. Contributed to API integration, bug fixing, and performance improvements as an intern at Digi Coders Technologies. Comfortable using Git, GitHub, and Android Studio for development, version control, and debugging. Eager to grow with real-world projects and contribute to a professional app development team.

TECHNICAL SKILLS

Mobile Development: Flutter, Dart, Widget-Based Layouts, Reusable Widgets, Screen Navigation, Responsive UI
Backend and Databases: Firebase, Cloud Firestore
Programming Languages: Dart
Tools and Workflow: Android Studio, VS Code, Git, GitHub, Debugging
Design: Canva
Core Skills: API Integration, Debugging, Team Collaboration

PROFESSIONAL EXPERIENCE

Flutter Developer Intern | Digi Coders Technologies

- Developed responsive mobile applications using Flutter and Dart with reusable UI components.
- Integrated APIs in collaboration with the development team.
- Debugged and fixed application issues to improve app performance.

PROJECTS

Flutter UI Application | Flutter, Dart | GitHub Link

- Built a Flutter/Dart app focused on responsive screens, reusable widgets, and smooth screen-to-screen navigation.
- Designed multiple app screens with a clean, consistent layout.
- Used reusable widgets to keep the code organized and maintainable.

Aakriti Ultrasound - Healthcare Web App | Healthcare, Web | Live Demo | Backend Repository

- Developed a healthcare website for an ultrasound center to present services and information in a simple, easy-to-use interface.
- Maintained the backend code in a dedicated repository, with a live demo available for review.

Personal Portfolio Website | HTML, CSS, JavaScript | Live Portfolio | GitHub Profile

- Built a portfolio website presenting my projects, skills, and contact links in one place.

Responsive Student Dashboard | HTML, CSS

- Created a responsive dashboard interface that adapts cleanly across different screen sizes.

EDUCATION

Diploma in Computer Science and Engineering
Mahamaya IT Polytechnic, Kushinagar | 2026 | 73.5%

High School (UP Board)
2023 | 83.5%
